

# QWETRUM TECHNOLOGIES

HR Department — Internship Program 2026

## INTERNSHIP TRACK: DATA ANALYSIS

### WEEK 1 — INTERNSHIP TASKS

**Duration:** 1 Week

**Submission Day:** Every Saturday by  
11:59 PM

**Tasks This Week:** 2

#### TASK 01 — Sales Data Exploration

##### Task 1 — Sales Data Exploration

Analyze a simple sales dataset and answer key business questions.

##### Requirements:

- Download the Superstore or any sales dataset from Kaggle
- Load it in Python (Pandas) and print shape, columns, missing values
- Find: top 5 best-selling products, total revenue by month
- Create 3 charts: bar chart (top products), line chart (monthly revenue), pie chart (category split)
- Write 5 bullet-point insights based on your analysis
- All code must be in a Jupyter Notebook with clear headings

■ **Deliverable:** Jupyter Notebook with code, charts, and your 5 insights.

#### TASK 02 — Data Cleaning Exercise

##### Task 2 — Data Cleaning Exercise

Take a messy dataset and clean it step by step.

##### Requirements:

- Find or create a dataset with at least 3 types of issues: missing values, duplicates, wrong data types
- Document what problems you found before cleaning
- Handle missing values: fill or drop (explain your choice for each column)
- Remove duplicate rows and show count before and after
- Fix data types (e.g., date stored as string → convert to datetime)
- Export the cleaned data as a new CSV file

■ **Deliverable:** Jupyter Notebook showing before/after + exported clean CSV file, zipped.

---

■ **Important Instructions for All Interns**

- **No AI Tools Allowed:** Do NOT use ChatGPT, Claude, Copilot, Gemini, or any AI assistant to complete your tasks. The purpose of this internship is YOUR learning. If you want to actually grow, do the work yourself.
- **Task Submission:** Create a ZIP file of your completed task. Upload it to your personal Google Drive folder (link will be shared by HR). Submit every **Saturday by 11:59 PM**.
- **LinkedIn Progress Update:** Post your weekly progress on LinkedIn. Mention what you built and what you learned. Tag **Qwetrum Technologies** in your post. This is mandatory — not optional.
- **Quality Matters:** A clean, working, well-commented submission is far more valuable than a rushed one. Take your time and do it properly.
